Chief's Summary

Report period: Aug 1, 2026 – Aug 31, 2026 · Generated Aug 21, 2026

During this period, the department held 4 training sessions with recorded attendance (64% average attendance), completed 11 duties, and resolved 3 action items.

As of today, the department has 14 active members of 17 on the roster (3 probationary). 2 certifications are expired and 4 expiring within 90 days — flagged below as action items.

Certifications — Action Items

Member	Certification	Expires	Status
J. Alvarez	EMT-B	Sep 12, 2026	Expiring
R. Chen	FF I	Jul 3, 2026	Lapsed

Pending Certification Approvals

Member	Certification
T. Okafor	Hazmat Ops

Open & Overdue Duties

Duty	Due	Assigned	Status
Hose test	2026-08-10	J. Alvarez	Overdue

Personnel & Participation

Member	Role	Participation	Status
J. Alvarez	Firefighter	80%	Active
R. Chen	Lieutenant	60%	Active

Station Hours — ISO/LOSAP

16.0 hours credited during the period across 7 shifts by 3 members. 15.0 further hours are recorded but not credited. ISO figure: 27.5 hours. 71% of check-ins were location-verified.

Member	Credited	Not credited	Shifts
R. Chen	8.5	0.0	2

Member	Credited	Not credited	Shifts
J. Alvarez	7.5	12.0	4
T. Okafor	0.0	3.0	1

Recent Training

Session	Date	Type	Attendance
Ladder drill	Aug 5	Training	9 / 17

Upcoming Training

Session	Date	Audience
Pump ops	Sep 2	All members

Apparatus Readiness

As of Aug 21, 2026: 2 ready, 1 needing attention, 1 out of service of 4 apparatus. 3 check failures remain unresolved.

Apparatus	Status	Reason on record
Engine 21	Needs attention	Pump pressure low
Tanker 22	Out of service	At the shop — brakes

Recommended Actions

- Schedule R. Chen for the next FF I refresher — certification has lapsed.
- Review 1 auto-closed shift — the system estimated the stop time, so those hours are not credited until an officer confirms them.
- Close out 3 open apparatus check failures.
- Continue mentoring 3 probationary members; review status at the next business meeting.
- Confirm seats for members with certifications expiring in the next 90 days in upcoming refresher classes.

How this report was produced. Drafted automatically from the department's roster, training, and certification records, then reviewed and approved by a qualified officer before release — the platform's standing rule: the system drafts, a human approves, then it publishes.
